Dear Sir:

Applicants request a refund to Deposit Account 12-1216 for an improper extension of time fee in the amount of \$110.00 charged for this matter on October 3, 2003.

The first Office Action was mailed July 3, 2003 requiring a response by October 3, 2003 if an extension of time fee was to be avoided. See Paper No. 13 and the attached copy from the Patent Application Information Retrieval System. A Response was filed on September 30, 2003, Paper No. 15 shown on the PAIR System. The correct box was checked on the transmittal accompanying the Amendment, indicating that no extension of time was requested or due. An extension of time fee was charged. See Paper No. 14 and the attached copy of our deposit account statement.

Because the improper charge was made, the refund should now be made to the deposit account.

Respectfully submitted,
